This includes round tables (6-9 seats), smaller square tables (4 seats), bar tables (4 seats), communal table (10 seats) the bar (20 seats) and two couch sets. Additional tables and chairs may be brought in by a host. See Appendix A for the taproom layout.

The taproom features views of the Tacoma Port and the Commencement Bay. Most furniture is upcycled, handmade by the owners and purchased from local households.

Dystopian Promise:

Our central values are diversity and inclusion of all people from all paths of life. We welcome all and partner with local non profit organizations to help empower, support and advance the most vulnerable in our community. Partial proceeds from all sales are donated to local organizations.

Craft Beer, Hard Cider and Wine:

All craft beer is created, tested and brewed with care in house with natural ingredients and flavors using the highest quality ingredients. A variety of ciders and wines are also available for purchase as well as a small selection of non-alcoholic beverages also available for purchasing. You may bring water bottles for your guests. Outside alcoholic drinks are NOT allowed and will result in immediate termination of the event with no refund.

Hosted Bar Discount: If running one tab, drinks are sold at happy hour pricing (\$1 off each drink) during the time of the event. Host must specify the max amount when opening a tab and may provide own drink tickets if desired.

Food and Food Trucks

There is no kitchen on the premises. You may bring any food or any caterer. Please provide your own plates/cutlery and napkins. If arranging for a local food truck, the host must confirm that the food truck is operating on a quiet generator or be able and willing to plug in to the Dystopian provided 220 V outlet. This is required to assure a quiet environment for our residential neighbors.

Decorations

Flower arrangements, banners, battery operated candles, balloons and lights are permitted. Sterno fuel cans may be used for chafing dishes and must be supervised at all times.

Not permitted are balloons filled with glitter and confetti, glitter and confetti; sparklers, fireworks, open flame candles, tea lights or center pieces. The historical building taproom is constructed from highly flammable, very dry and very old wooden beams.

Parking:

There are parking spaces available immediately at the entrance but are not dedicated to Dystopian guests and are subject to availability. There are paid parking lots, garages and Tacoma Dome parking available. The Link is free to use and the Theatre station is a couple of blocks away from the brewery. See Appendix B for nearby parking.

Children:

Well behaved children are welcome. All children must be supervised by a responsible adult at all times.

Pets:

Only service animals are allowed per the Pierce County Department of Health. Well behaved and leashed pets are welcome on Pup in Pub Thursdays.

Music:

We offer an extensive music library which is licensed to play in a commercial establishment. The option to play your own music including a DJ/band is for taproom buyouts only. Garage door must close at the end of posted open hours to reduce noise in the neighborhood.

Electrical Outlets:

Due to the historical nature of the building, the electrical outlets are available in certain areas near section A. If electricity is needed in any other areas, extension cords may be brought in by host.

TV Screen and PA system Use:

Reserved for taproom buyout options only due to the shared audio experience in the taproom.

Clean Up:

The clean up includes taking down decorations, packing away food, putting all the trash in trash cans and returning all furniture pieces (couches, tables, chairs, etc) to their original places. Our staff gathers glassware, wipes down tables, sweeps and washes the floor and takes the trash out.
